Title of Workshop Session: Adding Value as an Auditor

Level (please tick as appropriate)  
Introductory Professional Executive

Synopsis of Workshop Session:

The workshop will focus on recent changes to auditing practice and guidance (e.g. 1SO 19011 revision) and how good audits can add real value.

Please outline below in 4 points what benefits a delegate will derive from your session, in terms of information that they can actively use to aid their own organisation/role:

Understanding of changes in revisions to ISO19011 and other guidance

Appreciation of importance of evaluation of compliance

Approach to integrated management systems

How to add value to your audits (techniques, tips)
