

Individual Membership Fees

(valid from June 1st 2010)

It is important for your career that we continue to provide a professional membership body for you that can influence Government in areas of legislation and regulation both nationally and internationally, and be at the forefront of change.

Our work on your behalf enables us to set standards throughout the public and private sector and provides you with the platform to develop as a professional from a leading, credible and authoritative body.

We can support you throughout your career with the knowledge, tools and skills that you will need and we are always working to improve the content and delivery of membership benefits, such as web-based development, regional workshops and qualifications etc.

From 1st June 2010, IEMA membership fees will be:

Student Membership	£50
Graduate Membership	£50
Retired Membership	£50
Affiliate Membership	£99
Associate Membership	£135
Full Membership	£135
Fellow Membership	£135

We have improved your options to pay your membership renewal too. Please visit www.iema.net/membership/renew to see the options to make it easier for you to pay your membership.
