CPP in Helsingborg 2020

Or how to be confused on a higher level

The backstory 2018

Policy document on climate and energy

Ambition: contract on reconditioned services and/or previously used goods

Need for know how-competence

The babysteps 2019

The testing 2020

- Cirkulära Skåne
 - It-products, clothes, construction, profile products, sharing
 - Continued collaboration on CPP with other municipalities

Test – learn – go!

Questions for future CCP

- Upphandlingsmyndigheten, what are they doing?
- How do we best inspire the market to go from linear to circular?
- From circular to linear, procurement or organisation?
- Keep it simple!
- Work together!
