

Race to Carbon Zero

Vision,
strategy and
engagement
to be carbon
neutral by
2022

Richard Hagan, MD of Crystal Doors

**One owner, one vision, one strategy.
Survive, or close the business**

1. Base line carbon footprint assessment report, showing 26 action for year one.

2. So this saves money?
What next

3. So possible. Why not pledge when to become zero

Carbon neutral 2022

Much more to achieve

Circular economy

Digital embedded data

Less is more - life cycle

What is your footprint?

Emergency or on standby?

Stakeholder engagement,
Either with us, or gone.

Together we can beat
climate change.

Saving the planet requires a radical and disruptive new business model.

B Corp Certification Crystal Doors is committed to achieve, because its transparent.

Start with no preconception, or base on what is now. Just what is possible.

Richard Hagan
